Hi MaryAnne:

Attached is the map of the locations of where EPA collected samples using the GeoProbe.

Sincerely,

Cheryl Burdett

Attached is the map with the locations for the geoprobe sampling. The sites should all be on road right-of-ways.

Cheryl Burdett

Attached are the maps of the locations that we plan to use the Geoprobe to dig holes to collect water depth information and groundwater samples.

Please let me know if you would like to further discuss this information. The project begins on April 30 - May 4, 2018.

Sincerely,

Cheryl Burdett
